

Friends of the West Unity Library

We value your Friends membership!

A new or renewed membership helps us in so many ways and allows us to do even more amazing things together.

The Friends of the West Unity Library is a non-profit organization that promotes the continuing growth, development, and use of the Library by people of all ages and interests. Memberships and money raised from donations and fundraisers enable the Friends to provide services, equipment and programs for the library.

2024 Update

The Library is thrilled to offer a wide range of exciting programs for people of all ages! In addition to our ever-popular Summer Reading and After School programs, we have an impressive lineup of craft and exercise programs, cooking and creative arts classes, book clubs for passionate readers, a club for little gardening enthusiasts, family movie nights for quality time, homeschooling days for curious minds, and even an easy sewing class for those interested in picking up a new skill. We can't wait to welcome you and your loved ones to join us for these fun-filled activities!

All of this activity has made the Friend's board realize a couple of things.

1. Can you believe our library is so small? We've been brainstorming and we think it would be awesome if we had a room that could not only accommodate all the activities we have going on, but could also be used by the community for group meetings and parties.
2. Our building is getting close to its 30th anniversary. As time goes by, we've noticed that some things are starting to wear out and in need of a little TLC. Over the past couple of years, we've taken care of some upgrades and replacements. We got a brand new furnace, water heater, and even a snazzy new drinking fountain! And guess what? Our bathrooms got a fantastic makeover with the help of the county library system, and we were able to fix the parking lot for now, but we would love to concrete the whole lot. We count on your generous contributions and support to make it all possible.

To meet these needs, the Board has established a building fund. All proceeds from the doughnut sale at our fall fest celebration were directed to this fund, and additional fundraisers will be coming up.

Your membership is a valuable part of our efforts. Please renew or join today and encourage your friends and neighbors to attend programs and join in supporting our library. Thank you for your support.
